STATEMENT OF COOPERATION

It is understood that my child's attendance is a privilege and not a right; and that if at any time his or her conduct or cooperation with the school's authorities is not in keeping with the school's requirements, the school reserves the right to terminate enrollment at its discretion.

I give my permission for my child to take part in all school activities, school programs, and school sponsored trips away from the school premises. I absolve the school from all liabilities in the event that my child is injured at school or during any activity. I also understand that it is my responsibility to maintain an insurance policy for my child.

I have carefully read the school handbook, including the rules and regulations, dress and hair codes and discipline policies. I am fully aware that the administration and faculty has the right to discipline the student such as a) Discipline which includes corporal punishment, but only as a last resort; b) Discipline that also involves warnings to the student, notes to the parents, parent-teacher-administrator conferences, probation, suspension or expulsion based on the weight or nature of the offense.

I will help and encourage my child to cooperate with all the standards outlined therein, to attend to all scheduled classes regularly (including Chapel), and to diligently do all the work and homework assignments given.

By my signature, I hereby agree to submit and cooperate with all that is contained in the School Handbook,
