## INSURANCE

It is important for each parent to realize that Eucon International School does not carry insurance program for its student body.

Insurance coverage is the individual responsibility of each parent.

When it comes to insurance coverage, Eucon International School will not be held accountable or responsible for accident or injury to students on or off school premises.

In view of this, starting SY 2004-2005, Eucon International School is implementing student insurance, in the amount of \$15.00 for one school year only.

If the parents of the student have insurance, they need not take advantage of this program. They do need to give the office of copy of their insurance policy, however.
